

Our vision is that every child receives one daily meal in their place of education and that all those who have more than they need, share with those who lack even the most basic things.

mary's
meals

a simple solution
to world hunger

Dear Croatian catholic parish, Frankfurt am Main, Germany,

Thank you so much for choosing to support Sponsor A School with Mary's Meals. Your generosity is helping to change the story for some of the world's poorest children by giving them the opportunity to continue their education and reach their full potential. Furthermore, the impact your donation will have for the school's local community in years to come will be truly transformational.

In 2002, Mary's Meals made a promise to the world's most vulnerable children to provide nutritious daily meals in places of education and we started out by feeding 200 children in Malawi. Now, in our 20th year of feeding, Mary's Meals is keeping that promise to 2,429,182 children every school day across 18 countries. This guaranteed daily meal gives them the energy levels needed to concentrate and learn in class and to gain the necessary skills to help lift themselves and their communities out of poverty.

Throughout its history, Mary's Meals has rooted itself in challenging environments where conflict, climate and food insecurity dictate the realities of everyday life and where the need is always acute and urgent. We help to prevent children from having to work, beg or scavenge just to survive. Through the monitoring of our impact, we know that - wherever Mary's Meals are served - school attendance increases, children participate more in class and they worry less about going hungry.

We often talk about the many 'little acts of love' our supporters carry out in Mary's Meals name. But this is no little thing that you are doing. Your choice to provide guaranteed meals for an entire school for a year is an amazing gift and we are truly grateful for your support.

And rest assured, despite the troubling times the world finds itself in, our work won't stop while there is still a hungry child waiting.

Thank you and God bless,

Magnus MacFarlane-Barrow
